The Council for Tobacco Research
900 Third Avenue
New York, NY 10022

June 29, 1993

Dear sir / madam:

I am writing to request application materials, with the hope of submitting to the Council for Tobacco Research a proposal for support of a research project investigating basic mechanisms of programmed cell death in cancer cells. I will greatly appreciate any materials, information, or help you can provide. Materials can be mailed to the address shown above.

Sincerely,

Mark Boothby, M.D., Ph.D.

Assistant Professor of Immunology
Assistant Professor of Medicine
